In the most severe cases, they will cure in less than one week, and the best remedy ever prepared, and should be at once resorted to: **DYSPEPSIA, OR INDIGESTION, LIVER COMPLAINTS, CONSTIPATION, HEADACHE, PILES,**

For many years these Pills have been used in daily practice, always with the best results, and it is with great confidence that they are recommended to the afflicted. They are composed of the most costly, purest and best vegetable extracts of Balsams, and as are put seldom in ordinary medicines, on account of their great cost, and the combination of rare mineral properties which give them such powerful medicinal effects, where other medicines have completely failed, these extraordinary Pills have acted speedily and thoroughly on every case.
